Dear Sir / Madam,

**Subject: Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015.**

Ref : Update on supply of Solar Power from Radiance MH Sunrise Six Pvt Ltd

**Security Code No. 506248.**

This is with reference to the equity investment of the Company in Radiance MH Sunrise Six Pvt Ltd., (Radiance) which is engaged in the generation and supply of solar power. We have now been informed by Radiance that they have fully commissioned 2.6 MW Solar Power Project and the plant is now charged for supply of Solar Power to the Company. The necessary Short Term Open Access (STOA) permission was granted to them by Maharashtra State Electricity Distribution Company Ltd. (MSEDCL), Jalna on March 31, 2023.

The Company will now be able to meet some portion of its energy requirement from the supply of Solar Power from Radiance. However, at this stage it would be difficult to quantify the benefits that may accrue in energy cost from this arrangement.

Kindly take on record and oblige.

Thanking you,

Yours faithfully,  
For **Amines & Plasticizers Limited.**
