Annexure III

Confirmation on the Number of Shareholders as on 31.03.2026

This is to confirm that as of March 31, 2026, the number of shareholders as per the Register of Members is 9738; however, the total number of shareholders for the purpose of VI of Form MGT-7 is 9541. The reason for the difference is on account of shareholders holding multiple/duplicate folios/demat account, and the said shareholders are clubbed as sole shareholder basis their PAN.

As a listed entity, the Company has appointed a Registrar and Share Transfer Agent (RTA) to manage all shareholder-related procedural matters. Accordingly, all updated shareholder information is maintained by the RTA.

Annexure IV

Breakup of Gender wise data of Shareholders under Para VI(B)

We would like to clarify that National Securities Depository Limited (NSDL) has yet to implement a system for gender-based classification of folios/demat accounts. Similarly, the database of NSDL and the data available with the Company do not contain gender-based data for all folios/demat accounts maintained thereunder.

Therefore, the Company have provided gender-wise details to the extent provided by Central Depository Services (India) Limited (CDSL) and RTA. The attached list includes gender classifications only for those folios where the requisite data is available with the Company and/or the RTA. Also as please note that, as explained above, the difference in the number of shareholders reported by the RTA and the number of actual shareholders arises due to multiple/duplicate folios or demat accounts held by the shareholder. Consequently, gender-wise bifurcation for shareholders on an individual basis is not available with the Company.

Again, as mentioned above in Annexure IV, earlier, as of March 31, 2026, the number of shareholders as per the Register of Members is 9738; however, the total number of shareholders for the purpose of VI of the MGT-7 is 9541. The reason for the difference is on account of shareholders holding multiple/duplicate folios/demat account, and the said shareholders are clubbed as sole shareholder basis their PAN; however, the RTA has provided gender-wise details to the possible extent as per the Folio numbers and therefore the Company has provided the gender wise details as provided by the RTA and the difference of the number of shares is adjusted in the Other than individuals.

A certificate issued by the RTA in this regard is enclosed herewith for your reference.
